

# INDEPENDENT LIVING

**Independent Living** allows seniors to maintain an independent lifestyle without the responsibilities of maintaining a personal home. Our Independent Living communities offer peace of mind and safety for residents while providing a great backdrop for living a fulfilling and wholehearted lifestyle. Residents can meet and socialize with other seniors who share common interests and who are in the same stage of life. With Independent Living at Senior Care Centers our residents can enjoy the privacy and comforts of a true home with the perks of belonging to a friendly neighborhood community. Currently, our Independent Living options are offered at either Heritage Oaks in Corsicana or The Vintage in Denton.
